Inyo County Free Library
Independence, California

Dear Miss Margrave:

I am enclosing in this letter the name of the book mender at the Sacramento City Library and the eight Japanese that we had here. Ours have all been dismissed by the State Personnel Board now. I shall put in an extra copy of the list for your own use and on that I shall mark the work that the different employees have done.

Mrs. Adams has told me that she has been delayed and will not be here for a week or ten days.

Very truly yours, .

Mabel R. Gillis
